

Dear NJAM Member,

Once again, members are invited to submit nominations for the prestigious John Cotton Dana Award. Mr. Dana, who founded the Newark Museum in 1909, was a pioneer in his belief that museums should strive to become a stronger and more enriching presence in people's lives. His progressive philosophy regarding the educational and community service roles of museums still holds true today.

Since the inception of the Dana Award in 1989, the list of its recipients has come to represent New Jersey's outstanding professionals who have made significant contributions to the growth and development of its museums.

The Dana Award is presented at NJAM's annual meeting. This year's meeting is scheduled for Wednesday, June 19, 2019, at The Noyes Arts Garage Stockton College in Atlantic City.

The Dana Award is a unique opportunity to collectively recognize the outstanding professionalism of its honorees. I ask you to review the criteria listed on the enclosed page and submit your nominations on the enclosed form. Submissions must be received no later than Monday, May 20, 2019, and may be sent via email to kcurry@newarkmuseum.org.

Your participation will ensure that those museum professionals who work to preserve the quality of New Jersey's museums receive the recognition they so richly deserve.

Sincerely,

A handwritten signature in cursive script that reads "Kristin Curry". The signature is written in black ink and is positioned above the typed name.
